STUDENT APPEARANCE AND DRESS CODE

Responsibility for the dress and appearance of students enrolled in the Madison County District Schools primarily rests with parents and the students. Some student apparel, however, may not be appropriate to wear to school even though that same apparel may be appropriate to wear in other settings. To assist parents and students in making appropriate fashion and grooming decisions for school, the School Board has established the following **minimal** guidelines for the appearance and dress of students (*Florida Statutes 1001.43(1)(b) and 1006.07(2)(d)*).

The standards of appearance for students shall ensure that the students are clean, neat, and properly dressed. Students shall maintain standards of dress and personal grooming which are appropriate for the academic environment. It is the responsibility of the principal to ensure that the dress and/or appearance of any student shall not be extreme, nor to the point of creating a disturbance that is hazardous to himself/herself, others, or to school property, even if the specific case is not covered by the information below. **The principal or principal's designee has the final authority for interpreting whether a student's apparel/appearance conforms to the dress code.**

VIOLATION OF DRESS CODE per F.S. 1006.07(2)

If the principal determines that a student’s clothing does not comply with Board policy, his/her parent/guardian may be asked to bring an appropriate change of clothes to school, or the student may be asked to leave an after-school activity. The student may also receive disciplinary consequences for violating the school’s dress code policy. Repeated violations may result in progressively more serious consequences.

GANGS AND GANG-RELATED ACTIVITY

The MCSD will not tolerate any gang related activity on school grounds, school sponsored events, and/or on school transportation, to include dress, tattoos, bandanas (to be used as gang identifiers), graffiti, hand signals, or verbal slang. Gang related activity may include, but is not limited to, engaging in any verbal, written, or physical act, which is associated with becoming a member of a gang, being a member of a gang, or participating in gang identified rituals or behaviors on a school campus or at a school sponsored program or activity. Violations that disrupt the educational process will lead to disciplinary action. If a student is identified or qualifies as a gang member, the student may be subject to expulsion. If a student qualifies as a gang member, subsequent violations of the Code of Student Conduct may be raised to the next level (i.e., Level I to Level II; Level II to Level III; Level III to Level IV).

It is therefore the policy of the MCSD that gangs and gang activities are prohibited in Madison County Schools according to the following:

1. Gang is defined as any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of criminal/violent acts, and having a common name or common identifying sign, colors or symbols, or the purposeful violation of any MCSD policy.
2. No student on or about school property or at any school activity shall:
 - a. Wear, possess, use, distribute, display, or sell any clothing, jewelry, emblem, badge, symbol, sign, or other item that evidences or reflects membership in, or affiliation with, any gang.
 - b. Communicate either verbally or non-verbally (gestures, handshakes, slogans, drawings, etc.) to convey membership affiliation in any gang or that promotes gang affiliation.
 - c. Engage in any act that encourages or promotes interest in any gang or gang activity, including, but not limited to:
 - (1) Soliciting membership in, or affiliation with, any gang
 - (2) Soliciting any person to pay for protection, or threatening any person, explicitly or implicitly, with violence or with any other illegal or prohibited act
 - (3) Painting, writing, or otherwise inscribing gang-related graffiti, messages, symbols, or signs, on school or personal property
 - (4) Engaging in violence, extortion, or any other illegal act or other violation of school policy
 - (5) Soliciting any person to engage in physical violence against any other person
 - (6) Engaging in the use of technology that encourages or promotes interest in any gang or gang activity

The MCSD is working in conjunction with the Madison County Sheriff's Office, Department of Juvenile Justice, and the local police department to deter gang activity on school campuses. Any student exhibiting gang activity/characteristics as described in this section may be photographed and information will be shared with local law enforcement. A student identified as a gang member by the School Resource Officer/Deputy will be photographed and entered into the Florida Department of Law Enforcement's Gang Net.
